Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.

Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

Subject: MULTI-TYPEWRITING.

Dear Sir:-

If you wished to bring an important matter before a customer, you would not send him anything that looked like a circular--you'd write him a letter, wouldn't you?

You know it is not so everlastingly important what you say as how you say it.

Neither is it so everlastingly important whether it is a circular or a typewritten letter--it is what you cause your customer to think about it.

So it stands to reason that it is just as important to have the 100 thousand letters Multi-Typewritten as it is the 100 letters.

Both letters are intended to make impressions.

Perhaps you are unacquainted with Multi-Typewriting, which, in effect, is a typewritten letter. Let us furnish prices on your big runs, addressing, and lists.

This is Multi-Typewritten.

Very truly yours,

ZVR-G

R. L. POLK & COMPANY,

Subject: LISTS.

In Directory publishing it is shown that 70% of the people shift their address in twelve months. That is, people going to and leaving the city and removing in the city to new locations.

The failure to deliver first-class mail is shown by the postal records to be more than 6% in a year, notwithstanding the aid of the letter carriers who are always on the alert to ascertain the whereabouts of those who move.

Some list makers do not buy all Directories published, and even some of the larger ones only every other edition.

That is why we are making lists.

We keep the last edition of every Directory and make the list fresh every time it is sold. We have the small as well as the big Directories, which gives you the added advantage of circularizing the people in the small cities, who are known to be better prospects.

Let us make your lists, typewritten letters, addressing, etc.

We are perfectly reliable and will give you conscientious and faithful service.

Very truly yours,

R. L. POLK & CO.

Your System Needs Such a Food as This

Assists Nursing Mothers *Rebuilds Overworked Physiques*

Tired muscles—fagged out nerves—lack of vitality—leave you susceptible to the ravages of sickness and disease. At this time, more than any other, your body requires a pure, wholesome, predigested liquid that is easily and quickly assimilated—one that will build up wasted tissues and weakened muscles—one that will strengthen and actually impart energy and vigor and life. That is why physicians everywhere recommend the use of

Pabst Extract
The "Best" Tonic

a perfect food welcomed by the weakest stomach—containing all the nutritive and digestive properties of pure, rich barley malt and the quieting and restorative qualities of choicest hops in predigested liquid form. It is an ideal tonic and food—giving men and women just the right energy and strength to take their part in the battle of life.

Pabst Extract, The "Best" Tonic, is used all over the world to strengthen the weak and build up the over-worked; to relieve insomnia and conquer dyspepsia; to help the anaemic and turn nerve exhaustion into active, healthy vim; to encourage listless convalescence to rapid recovery; to assist nursing mothers and reinvigorate old age.

Order a dozen from your druggist **Insist upon it being Pabst**
Free booklet, "Health Darts" tells ALL uses and benefits of Pabst Extract. Write for it—a postal will do. **Druggists generally sell Pabst Extract. If yours does not, write us and we will see that you are supplied.**

Encourages Listless Convalescence *Reinvigorates Old Age*

"THE BAIR CABINET"

This is the best, inexpensive instrument cabinet made. It is neat in design and conveniently arranged. The upper compartment is 34 in. high, 16 in. deep and 24 in. wide, white enameled inside and fitted with four glass shelves, which are held in place with a copper bracket, a device no other cabinet has. These shelves are so spaced that the instruments may be easily seen and easy of access. The door is fitted to close against a felt strip, making this compartment absolutely dust proof and air tight, thereby keeping the instruments entirely clean, aseptic and free from rust.

The lower part is 22 inches high, with two compartments, each fitted with a disappearing, Florentine glass door, mounted on our new steel slide, which carries the door up and back, making each part easily accessible, without disturbing the contents.

This cabinet is 63 inches high, 16 in. deep and 24 in. wide. It is made of selected quartered oak and finished in Golden Oak or Early English.

FREE:

One full-sized bottle of Pre-Lief-Lin Anodyne Liniment and a Perpetual Calendar.

GERMAN-AMERICAN SURGICAL CO.

OF NEW YORK.

138 Wells Street, CHICAGO, ILL.

PRELIEFLIN ANODYNE LINIMENT

An ounce put up in an elegant perfume drop bottle.

This is the smallest bottle of liniment and lasts the longest time of any remedy of the kind offered to the public. It is better for the relief of pain than morphine or any internal drug. It contains no chloroform, which is generally found in other such medicines, to drug you by inhaling the vapor.

It is **penetrating relief liniment**, the smallest, the most lasting and the best of all pain remedies. One ounce or two tablespoonfuls is sufficient to relieve One Hundred patients' sufferings. From time immemorial mankind has sought relief from pain. This is not only an anodyne to stop pain but is an antiseptic healing remedy, which is absorbed and eliminated by the kidneys, hence a sovereign **REMEDY FOR BACKACHE**. Doctors may send for a free sample and a large or small perpetual calendar, both of which last a long time. Get this at your druggist's or direct from the German-American Surgical Co., of New York. Rush orders may be **telephoned to 666 North** or send a postal card for sample and a perpetual calendar, and **always order two or more bottles C. O. D. or send cash to German-American Surgical Co., of New York, 249 North Franklin Street, Chicago, Ill., U. S. A.**

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

The Keeley Institute

DWIGHT, ILLINOIS

THE PARENT HOUSE OF THE KEELEY INSTITUTE SYSTEM

ESTABLISHED 1880

FOR THE TREATMENT OF ALCOHOLIC INEBRIETY, OPIUM AND ALL
OTHER DRUG ADDICTIONS, THE TOBACCO
HABIT AND NEURASTHENIA.

By the Keeley system functional inebriety is ALWAYS cured and the appetite entirely removed; this is accomplished by elimination and the toning up of the nervous system. There is no nausea or other sickness, but the general health improves from the time the treatment begins. Entire freedom is accorded and there are no annoying or vexatious restraints.

No claim is made that the organic changes of chronic alcoholism will be remedied. By removing the craving or necessity, however, and proper elimination, the improvement in the general health enables nature in time to repair the damage. The history of the treatment of chronic alcoholics by the Keeley system always shows marked improvement of collateral ailments and often complete restoration.

Every patient receives a thorough clinical examination, and the treatment is adapted in all cases to the peculiar needs of each.

Comprehensive literature free upon application and all correspondence strictly confidential.

The LESLIE E. KEELEY CO.
DWIGHT, ILL.

Information and Literature may also be had, and arrangements for treatment made, at our Chicago Office, Room 906, Rector Building, 122 Monroe Street.
